

UNITEAM OFFSHORE SOLUTIONS (UOS) is Myanmar's premier manpower- and training provider for the offshore Oil & Gas industry. On behalf of a major international oil & gas company, operating in the Union of Myanmar, we wish to identify qualified, experienced, and motivated candidates for the positions of:

OPERATIONS TRAINEE (m/f)

(Mechanical, Production, Instrumentation, Electrical)

Successful candidates will be recruited in December 2010 and will undergo a 28 months' training program in Myanmar and overseas. This training program will include theoretical training, as well as on the job training on oil & gas installations, with all expenses paid. In addition, there will be an attractive salary during the training period. Upon successful completion of the training program, the Operations Trainee will work on an oil & gas project that will start in 2013.

Required qualifications:

- BE, AGTI, or equivalent technical degree (Mechanical, Electrical, Petroleum, Aeronautics, Marine Engineering, Electronics, Process);
- Minimum of 2 years relevant work experience;
- Reasonable English proficiency, with good communicative skills;
- Computer literate;
- Myanmar national, and eligible for overseas travel;
- Team player;
- Age limit: 32 years

Please submit your application in closed envelope, marked "Operations Trainee application" to the below address. Application must include current CV, two small sized photos, and cover letter.
